Research And Inspiration Images

The background of the slide is a solid maroon color. At the top, there is a decorative border featuring a repeating pattern of white geometric shapes: concentric semi-circles, solid semi-circles, and semi-circles filled with a dotted pattern.

Supporting Images - Moulding and Casting

Plaster Moulds

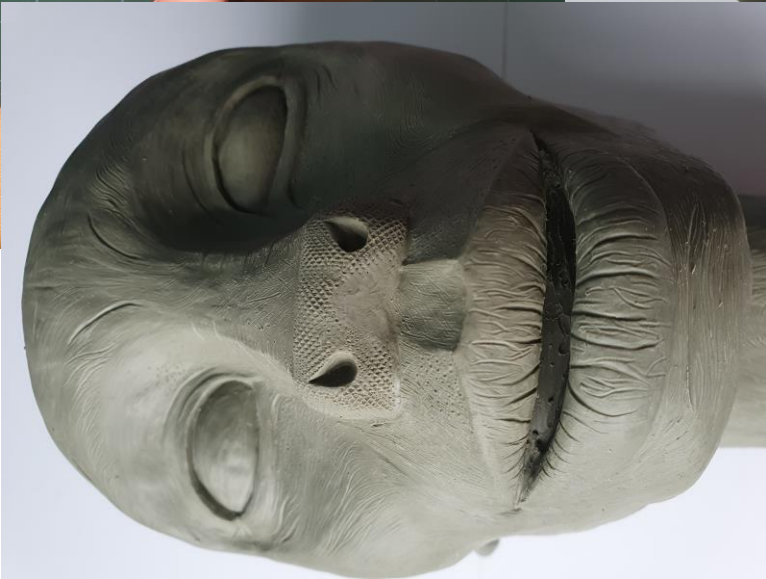

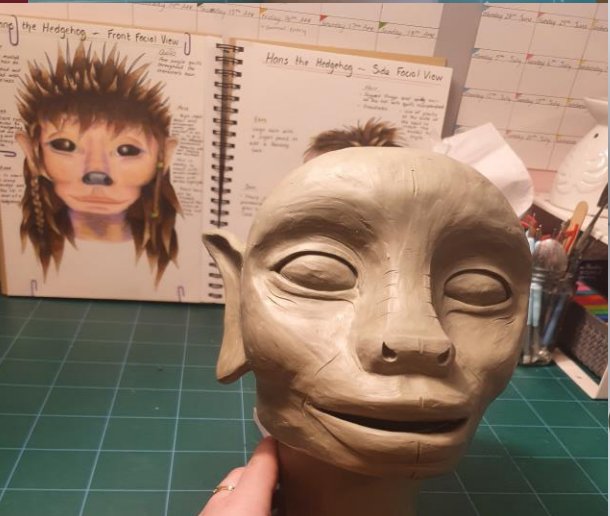

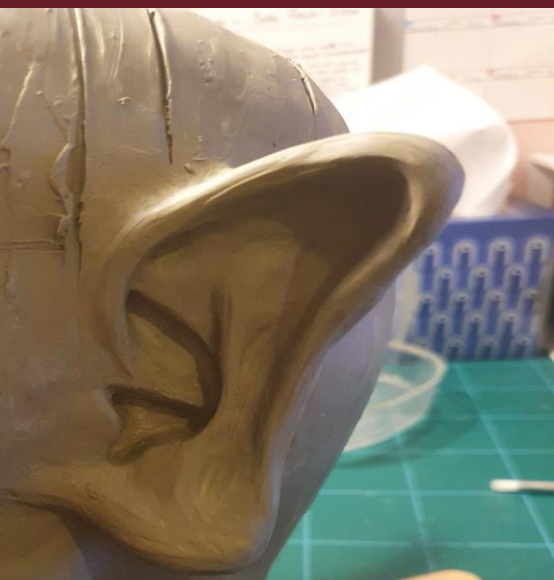

Casting in Latex and filling with soft expanding foam

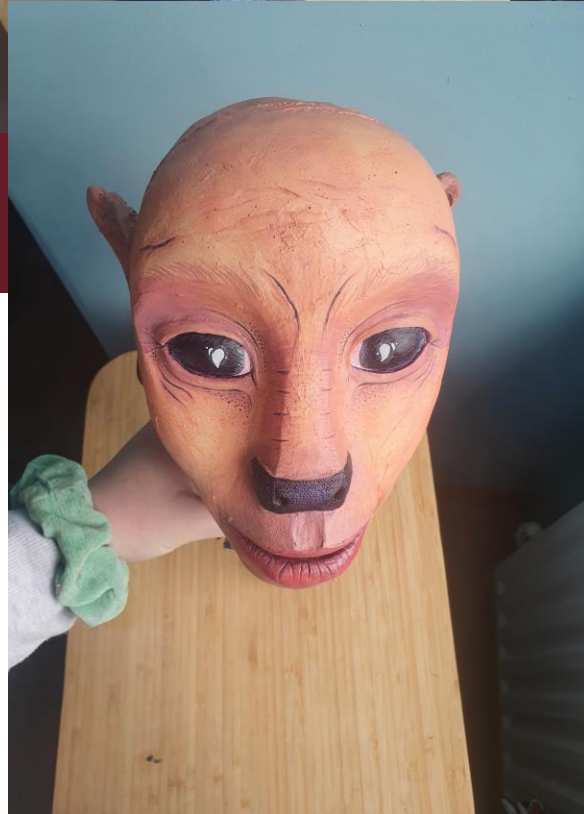

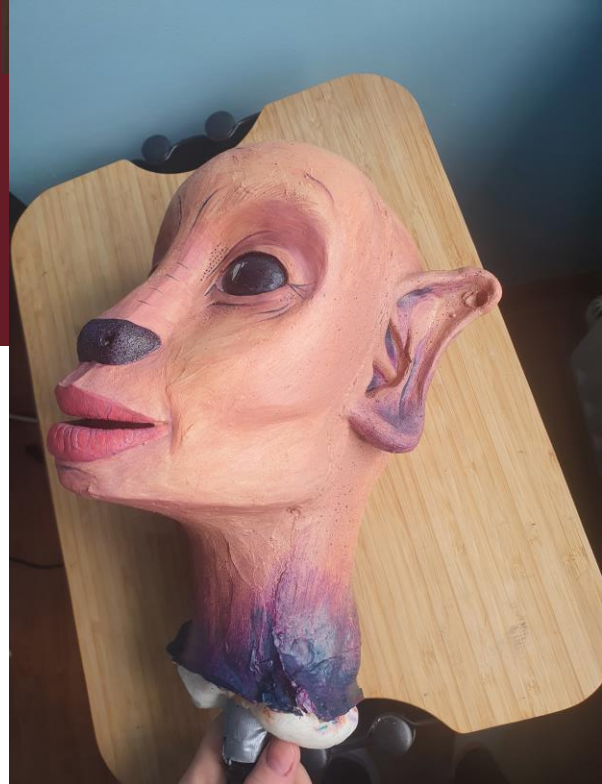

The top of the slide features a dark red header with a series of overlapping geometric patterns. These include concentric circles, semi-circles, and radial lines, all rendered in a slightly lighter shade of red than the background.

Supporting Images - Fabricating and Sculpting

Sculpting in Chavant

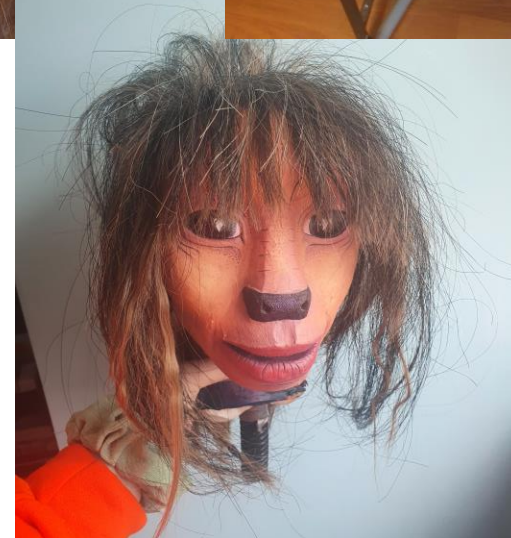

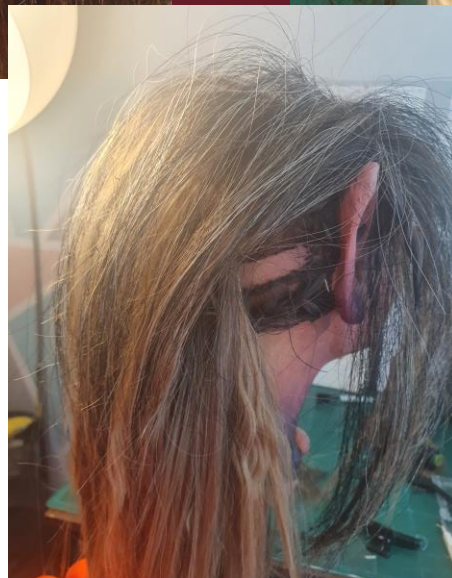

Painting using Acrylic

Building the body from electrical conduit and upholstery foam , Making the costume

Making the Wig from horse hair and synthetic hair extentions

The top of the slide features a dark red header with a series of decorative, semi-circular patterns in a lighter shade of red. These patterns include concentric arcs, dotted lines, and solid lines, creating a modern, architectural feel.
